Dear Prospective Exhibitor/Vendor:

The McKinley Memorial Library has partnered with the City of Niles Parks Department to host a Health and Wellness Fair. The fair will be promoted as part of this year's One Book One Community, the annual county-wide library event, which is featuring the book *Shoeless Joe* by W. P. Kinsella.

The fair is scheduled for Saturday, March 23 from 1 – 4 PM. The Parks Department will be providing exercise classes and pickle ball instruction during the event.

The Library and Parks are partnering with the Mahoning Valley Scrappers - who will be providing bounce house activities for children during the event - and The Ohio State University Extension - who will be providing healthy snack demos throughout the course of the event.

The goal of this event is to connect with and serve the Niles community in order to promote healthy living and an awareness of the services that are available to do so. We are focusing on physical and mental health for all ages.

Please accept our invitation to be a part of this event by showcasing your services and connecting with the community on an individual basis.

There is no charge to participate in the event, but we are asking vendors to provide a gift basket or item for a raffle drawing.

We will provide a table and two chairs, and ask that you provide educational materials and giveaways. We are anticipating 500 people to attend the event.

If you agree to participate, please complete and the enclosed Health and Wellness Fair Exhibitor/Vendor Registration Form and return it by February 2, 2019.

Thank you in advance for your consideration,

Michelle Alleman, Director of McKinley Memorial Library
