FOR IMMEDIATE RELEASE

March 13, 2020

COVID-19

As a preventative measure to combat COVID-19, The City of Niles has taken steps to properly sanitize the facilities that allow public access during daily business hours. In a proactive effort to provide social distancing, and eliminate face-to-face contact, the City of Niles is reminding customers that online utility payments are accepted through the Niles City website and that payment in the form of check/money order is available in the drop box, located at the side of City Hall, on Franklin Alley. Furthermore, the City of Niles reminds municipal court customers that check-in kiosks can be accessed in the court lobby and online court payments are accepted through the Niles Municipal Court website.
