### FOR IMMEDIATE RELEASE

May 11, 2021

### West Park/East State Resurfacing to Begin

Please be advised that on Monday, May 17, 2021, milling and paving on West Park and East State is scheduled to begin as part of the citywide street resurfacing program. The project is expected to take a total of thirty (30) days to complete, including the work for curb ramps, sidewalk replacement, and road marking/signage. Please note that any inclement weather or unforeseen conditions may cause delays to this schedule. If a schedule change occurs, residents and business owners will be advised with an additional notice.

During street milling and paving, the road will be closed to thru traffic but will be open to local traffic and emergency vehicles. Extreme caution must be used when driving through the construction zone. Traffic delays should be expected. Avoid the construction zone during normal work hours, if possible.

Any questions or concerns regarding this project can be directed to the Mayor's Office at 330-544-9000 ext. 1101, between the hours of 8:30 AM and 4:00 PM.
